### Don't forget the preventive measures:

1. Wash your hands with soap and water before touching anything including your eyes, nose and mouth
2. Cover your mouth and nose when you cough or sneeze
3. Disinfect the objects and surfaces you touch
4. Use and dispose disposable tissues after use
5. If you are sick, stay home and avoid crowds and contact with others
6. Drink plenty of fluids
7. Get rest and sleep as much as possible.
